Unless you tell us not to, we may, from time to time, contact you to tell you about products or services we think you might be interested in. We might do this through the post, online, via email, or on the phone.

If we think there has been crime, fraud, misuse of, or damage to, our network, we will use this information for our internal investigations and any subsequent prosecution(s). We will also provide it in reply to other lawful requests for information such as about illegal online file sharing.

You have the right to ask us not to process your personal data for marketing purposes. We will inform you before collecting your data if we intend to use your data for such purposes or if we intend to disclose your information to any third party for such purposes.
